# SmartMedia Wall Mount
# for Interactive Whiteboards (SPRE)

**ARM FOR A SHORT-TROW PROJECTOR**

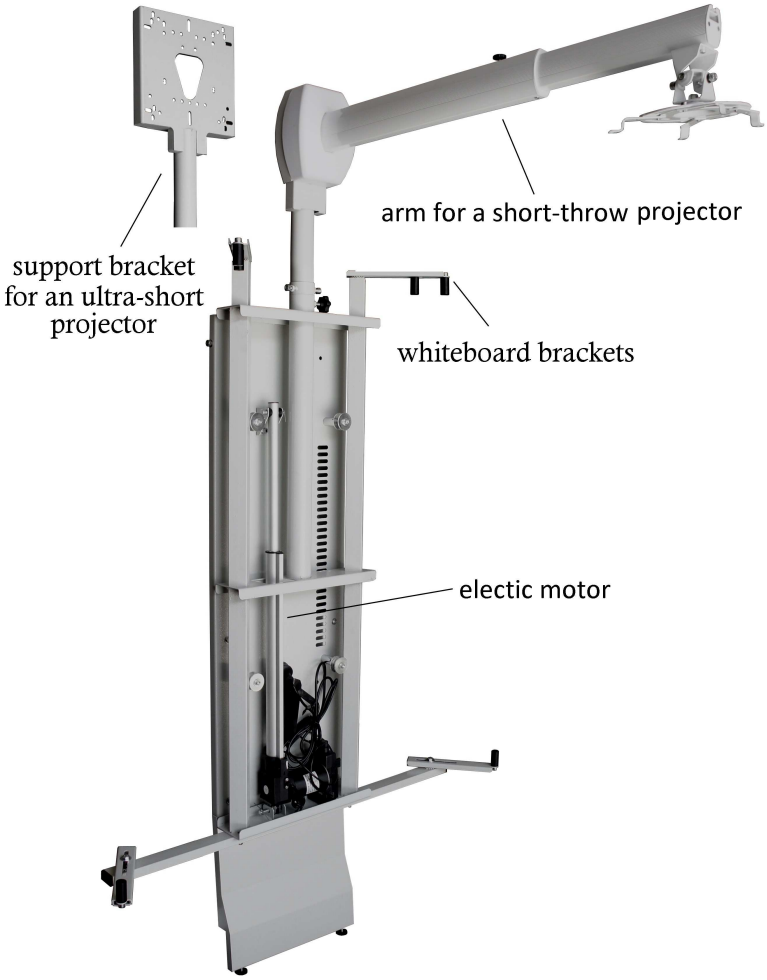
**SUPPORT BRACKET FOR AN ULTRA-SHORT PROJECTOR**

SmartMedia's Wall Mount for Interactive Whiteboards (SPRE) is a height-adjustable mounting system that has an electric motor with a remote control and safety switch. It is available with an extension arm for a short-throw projector or with a support bracket for an ultra short-throw projector. It is compatible with most interactive whiteboards ranging from 78" to 105" in diagonal. The height adjustment allows the whiteboard to travel up to 18".

## Specifications:

* Maximum weight of whiteboard supported: 110 lbs
* Height of whiteboard supported: from 44 1/2" to 61"

Installed Dimensions: (W x H x D): 39.3" x 81" x 10" (minimum height) – (W x H x D): 39.3" x 99" x 10" (maximum height)



remote control with safety switch
The remote control doesn't work without the safety switch preventing accidents to children
